ENTERTAINMENT

From top-name celebrities to spectacular stage shows – it's no wonder Las Vegas is called the "Entertainment Capital of the World." Most show rooms offer two performances nightly. Dress is casual but a bit more formal for evening and dinner shows. Show times and prices vary. Reservations can be made in advance by calling the reservations office at the respective hotel. For a current Las Vegas Showguide, write to:

GAMING

While Las Vegas offers many forms of entertainment and recreation, the biggest game in town has always been found in the casino. Every year, millions of visitors try their hands at games of chance such as blackjack, baccarat, poker and even bingo. If you're a sports fan, you may want to spend some time in a resort race and sports book where you can wager on your favorite teams. There are hundreds of themed slot machine games, and casino-resorts offer "slot clubs" that give participants incentives to play.

GRATUITIES

Las Vegas was built on its world-class hospitality, and it is quite common to offer a gratuity, or "tip," to resort employees who make your stay convenient and enjoyable. A 15 to 20 percent tip is the generally accepted amount for waiters and waitresses. For bell captains and bellmen, a tip of \$1 to \$2 per bag of luggage is recommended. If you use the concierge or VIP services at your hotel to make travel plans or show reservations, a \$5 tip is appropriate. While in the casino, a small bet for the dealer is the usual method of tipping at the gaming tables. Tips are also appropriate for keno runners and slot attendants. At a show room without assigned seats, a tip of \$5 to \$20 to the maitre d' will usually ensure desired seating. For valet parking attendants, a tip of \$2 is normal; a tip of \$2 per day to your hotel maid will also be appreciated.

CURRENCY EXCHANGE

Most major hotels and casino cashiers will accept foreign currency and exchange it for U.S. dollars. However, you cannot purchase foreign currency from the casino cashier. For complete currency exchange services, visit the following:

American Express, Fashion Show Mall
3200 Las Vegas Blvd. S. • 702-739-8474

LEGAL AGE

To gamble you must be 21 or older. The drinking age is the same. The city has many youth-oriented activities. Check your individual hotel for details.

The weather in this desert resort is mild most of the year. Las Vegas averages 320 days of sun, while the average rainfall is 4.19 inches per year.

ACCESS

Las Vegas is accessible to all visitors, 24 hours a day. The city has more accessible guest rooms than any destination in the country, perhaps even the world. Many hotels offer rooms with roll-in showers, transfer showers and tubs with built-in or portable seats. Ask your reservations agent to book a room with your specific needs in mind. In addition to the accommodations, every Las Vegas hotel has accessible slot machines, and many have accessible table games too. What's more, many casinos offer sign language interpreters for gaming lessons. Most show rooms have assistive listening devices, and it's always best to call ahead for information. Most Las Vegas hotels also have lifts to assist visitors into their beautiful pools. For additional details, please ask for your hotel's ADA coordinator.

WEDDINGS

For the ceremony of a lifetime and a honeymoon that will be the time of your life, nobody does it better than Las Vegas. Nearly 100,000 couples are married here each year, making Las Vegas the Marriage Capital of the World! Whether you're planning an intimate affair for a few family members and friends, or reciting your vows while bungee jumping from a hot-air balloon, you're only limited by your imagination. Choose from more than three dozen full-service wedding chapels.

WEDDINGS

Couples often come to glamorous Las Vegas to take their vows. An important step along the path to that special day is to obtain a marriage license from the Las Vegas Marriage Bureau, open from 8 am to 12 am daily including holidays. The fee for a marriage license is \$55.
